## Home Learning Opportunities

### Groundwater Foundation | 30by30 Water Tracking App

[groundwater.org/action/home/30by30.html](http://groundwater.org/action/home/30by30.html)

Learn how to reduce your water usage by 30 gallons a day with 30by30!

30by30 is a fun, free water-tracking app for Android and Apple devices from the Groundwater Foundation. Track your direct water usage, learn how to use less water, and see your monthly water usage. 30by30 makes tracking your daily water usage simple; the app calculates how much water you use, simply choose an activity! Log your water use every day and receive fun, easy tips on how you can do even better at conserving water and share your achievements on Facebook and Twitter! 30by30 also offers several educational resources on groundwater and other water concerns. Available for free download:
