## Share Your Thoughts

### Provide Input on the GSP Development Process

Multiple types and levels of stakeholders will be involved in the GSP development process, including the general public. Remember to fill out a comment card before you leave, or mail one to the address provided.

## Ways to Stay Informed

- Visit the website
- Sign up for electronic updates on the website
- Watch for information from your local GSA
- Attend open-forum meetings
- Request presentation to community group

## Follow Us on Social Media

We're on Facebook 

For regular updates on upcoming meetings and other events, you can follow the ESJ Groundwater Authority on social media. Stay up to date on Groundwater Sustainability Plan development efforts and help get the word out to other people who might be interested in what is happening in their groundwater basin.

## Thanks for being here!
